

Mill Bay Beauty

Description:

Spectacular 2700 sqft, 3 bed + den, 3 bath home with heat pump on 2.47 acres that backs onto forestry in south Mill Bay! This would be an excellent commuter to Victoria. Full southern exposure, big double garage, and the property is zoned for a secondary suite or separate carriage house. Gorgeous 3/4" oak hardwoods throughout the living and master, the kitchen has rich maple cabinets, quartz counter tops, an eating bar and pantry. The master has an elegant vaulted ceiling, his & hers walk in closets [both with solid fir doors] a 5 pce bath which includes a jetted soaker, his & hers sinks with quartz countertops and in floor heating. The home also has a formal dining area [could be an amazing office). The "Great Room" has a soaring vaulted ceiling with floor to ceiling windows and a feature gas fireplace with stone work from floor to ceiling as well as an elegant black railed stairwell that leads you upstairs. Offered through a Pemberton Holmes Realtor. Call Dan today at 1 877 946 8123.
